(Department of Education),

New Delhi, dated the 23rd January, 1964.

From

Deputy Secretary to the Government of India.

To

Education Secretaries of all the State Governments/Union
Territory Governments/Administrations, and
Registrars of all Universities.

Subject: Equivalence of Sanskrit Examinations.

Sir,

I am directed to say that the Central Sanskrit Board which advises the Government on all matters relating to the development of Sanskrit have recommended:

- (a) that it may be impressed upon all the Universities that they should employ at least one traditional Sanskrit Scholar and the scholar so employed should enjoy the same status and pay-scales as his counterparts trained on modern lines with equivalent degrees;
- (b) that the employment of traditional Sanskrit Pandits in High/
Higher Secondary Schools/Colleges should also be given due encouragement. Teachers so employed should be treated on a par with other teachers possessing equivalent qualifications of the general educational set up.

With regard to this, the Board has suggested an interim equivalence of traditional Sanskrit examinations conducted by the various examining bodies with examinations in the general educational set up.

The suggestions of the Board have been accepted by Government of India. It would be appreciated if due consideration is given to these suggestions by the State Governments/Union Territory Governments/Administrations/Universities.

I am also to send herewith a copy of the statement showing the names of the examining bodies, names of Sanskrit examinations conducted by them and the equivalence of the latter with examinations in the general educational set up, for guidance in matters of employment of Sanskrit Pandits in Universities, Secondary/Higher Secondary Schools/Colleges. This Ministry may please be informed of the action taken in the matter in due course.

Kindly acknowledge receipt of this letter.

Yours faithfully,
sd/-
(P. N. Dhir).
Deputy Secretary.
