ABOUT THE DEPARTMENTS:

Dept. of NYAYA & VAISHESHIKA :

Navya Nyaya represents one of the finest products of human intellect that has been sustaining India's Intellectual culture for the last few centuries. This shastra offers devices of logical argumentation and supplies us with the novel set of terminology for mapping reality. This school of philosophy exerted influence on different systems of thought so much that they adopted the Navya Nyaya methods to counter their opponents and propagate their thesis. A re-look of Navya Nyaya language and methodology at this modern age may be highly rewarding. Classes are conducted by eminent and sagacious scholars in Nyaya and vaisheshika shastra.

Dept. of VYAKARANA : It is one of the pillars of Sanskrit learning. Grammar has always been an integral part of our studies since ages. The Paninian grammar is considered to be one of the greatest productions of human mind. Grammar evolves as a process of the complete formation of each word from its root, by means of suffixes, additions, changes and minor modifications. The study of Paninian grammar will be an intellectual treat. Sanskrit Grammar can also be studied on a comparative basis, in the light of allied Indo-European languages. The classes are being taken by efficient dedicated scholars of the department.

Dept. of MANUSCRIPTOLOGY:

A Manuscript speaks of the past, reveals history, unfolds perspectives & reflects socio – cultural scenes of its time. Its contents are significant literarily, scientifically and historically. Its form is fascinating Paleographically, calligraphically and technically. Thus, manuscripts are concrete examples of humanistic & artistic activities of the past. It may be mentioned that the formal aspect of a manuscript deals with structural analysis of elements related to the visual & aesthetic qualities. The department is fully committed to the revival of this ancient treasure.

Dept. of Samskrit Language & Literature :

The Samskrit Language, whatever may be its antiquity, is considered to be more perfect than the Greek, copious than Latin & more exquisitely refined than either due to its wonderful structure. It is the nature of a spoken dialect that it undergoes constant changes. The Sanskrit language has been used for poetic and other literary works in all the periods of Indian history and continues to be so even today. In general, so much emphasis on the beauty and charm of Sanskrit language is laid, it would only be proper to notice that Sanskrit literature contains some wonderful ideas appealing to the modern thinking. The classes are being taken by efficient dedicated scholars of the department.

Dept. of ALANKARA :

The Sanskrit language and literature have become an inalienable part of religion & culture. Several hymns of Rigveda are looked upon as genuine specimens of fine poetry. The first systemization perhaps started with the Natya Sutra of Bharata. This work though primarily a work on drama, marks itself as the conception for the origins of systematization of the poems as a science. Poets like kalidasa, dandin and others have enriched this school on poems through their prolific writings. The classes are being taken by efficient dedicated scholars of the department.

Indian Philosophy is broadly classified into two namely orthodox and heterodox. Astika darshana again consists of six schools namely Sankhya , Yoga, Nyaya, Vaisheshika , Purva-meemamsa and Vedanta. Vedanta is a philosophical culmination which brings the message of sages for the spiritual enlightenment of one and all.

The study of the classical texts of Vedanta, together with a comparative perspective is the need of the hour. Keeping this in view, courses in vedanta are being offered where the student studies the classical texts of Sri Shankaracharya , sri Ramanujacharya , Sri Madhwacharya. ACADEMY OF SAMSKRIT RESEARCH, MELUKOTE

Melukote has been a holy shrine renowned for its history, tradition and rich heritage. Diverse Puranic accounts accord an epithet 'Jnanamantapa' (the abode of knowledge) to this place as great legacy of tradition, culture and Sanskrit learning has been associated with it. A living vibrant temple tradition along with traditional learning ways is an integral part of its society. The harmonious social fabric brought about by Acharya Sri Bhagavat Ramanuja one thousand years ago which lives here even today has to be significantly remembered as his greatest contribution to the society considering present social conditions everywhere. Both his philosophical treatises as well as his social commitments bear the stamp of clarity, integrity and equanimity. His divinity, power and genuine social concern has been the invisible factor working positively for Melkote even to this day.

Keeping in mind the special position of philosophy, school of thought, tradition, social values and the

vision of Sri Bhagavad Ramanujacharya, Government of Karnataka established the Academy of Sanskrit Research in Melkote in 1976.

The academy has completed four decades of meaningful existence in pursuit of excellence with financial grant coming from the government. It has collected and preserved 10000 invaluable palm leaf manuscripts and 31000 books of immense value in the library. It has been constantly engaged in research and publication activity.

It has brought forth 166 publications till date. The list of publication includes critical editions, research works, and translations in Sanskrit, Kannada and English.

Keeping in view further development of the academy, the state government on 15-12-2015 has brought it under the administrative and executive control of Karnataka Samskrit University, Bengaluru.

What our Alumni got to say!!!.....

“A must attend for seekers looking upto our tradition and culture for answers about purpose of life. Inspiring teachers bringing years of traditional Gurukula Experience in a modern and sustainable setting to enable working population to experience Samskrit” -**Uma Subramanyam, MA (2018-19)**

I joined KSU in Sep, 2016, filled with apprehension that Sanskrit would be too tough to learn and the subject matter very dry. Instead, I was mesmerised on day one by the classes and concepts covered. Each subject showed a new and vibrant world, and the professors' thorough knowledge made the classes comprehensible and enjoyable. - **Warija Adiga, former IT professional, MA Sanskrit Shastras, KSU (2016-18)**

“Scholarly teachers, accommodative mindset, thought provoking subjects, interactive discussions – A complete package” -**Hema, MA (2018-19)**

It is my dream of more than four decades that has come true in this Samskrita M A course that I am finishing now. KSU has done a commendable job by introducing this course for serious learners of Samskrita without any age bar. That our teachers are thorough scholars in various Shastras and literature surely makes it worth the efforts of everyone of us. -**S. vaidehi, Shastra Faculty. (MA 2017-19)**

Blessed by divine Guru parampara at KSU, deep passion on Bharateeya Darshanas
-**Prahlad I S, MA (201819)**

The 2 year MA course that I did in KSU was a very enriching experience. Learning sanskrit kavyas , shasthras and vedas from reputed scholars in sanskrit medium of instruction was a like a blessing, which has inspired me to pursue further studies at KSU. - **Hamsa, Alumni, Shastra Faculty, KSU (2016-18)**
