❖ Department of Vyakarana:

Language is an essential communication tool that helps in conveying one's thoughts with others. Grammar is the heart and soul of any language. Samskrit Vyakarana (as Grammar is called in Samskrit) is no exception.

The Department of Vyakarana at Karnataka Samskrit University was started in the year 2019 under the able leadership of Prof. Shivani V. Since then, the department has been preparing students to participate in Vakyarthasadas, a traditional endeavour to preserve and generate knowledge in Sanskrit Sastras, conducting Communicative Sanskrit classes to students to improve their communicative skills in Sanskrit.

At KSU, Philosophy of Grammar is a key subject of study; it is explored through various classical and shastraic texts such as Vaiyakarana Bhushan Sara, ParamaLaghuManjusha, Vakyapadeeyam, etc.

The foundation of Vyakarana is Panini's Ashtadhyayi. To understand the Ashtadhyayi model, texts such as Vaiyakarana Siddhanta Kaumudi, Paribhashendu Shekhara, Mahabhashyam etc are studied.

The Faculty Members are active in Propagation and Promotion of Sanskrit Studies in Karnataka. The Department extends both deep and wider knowledge to the students as the syllabus covers both the traditional and modern aspects of Sanskrit Grammar and related subjects. Optional and elective courses offered to other Departments focus on interdisciplinary aspects.

Needless to say that, KSU would make all efforts to strengthen the Vyakarana Department, to be a leader in computational linguistics.

❖ Department of Nyaya & Vaisheshika:

Navya Nyaya represents one of the finest products of human intellect that has been sustaining India's Intellectual culture for the last few centuries. This shastra offers devices of logical argumentation and supplies us with the novel set of terminology for mapping reality. This

school of philosophy exerted influence on different systems of thought so much that they adopted the Navya Nyaya methods to counter their opponents and propagate their thesis. A re-look of Navya Nyaya language and methodology at this modern age may be highly rewarding. Classes are conducted by eminent and sagacious scholars in Nyaya and vaisheshikashastra.

❖ **Department of Alankara:**

Alankara shastra deals with various theories like Alankara, Rasa, Reeti, Dhvani, Guna, Vakrokti, Auchitya etc. Detail study of these theories are of utmost importance to understand the Indian literary criticism and Indian poetics. Poetry was mostly governed by the Alankaras, the rules of critical science. Critics believed that any association of word and memory having a special quality generates kavya. The creation of mnemonic rhymes was considered essential to poetry. Poetry was considered as having two qualities: Alankara and Guna or “meaning” and “essence.” There is an unbroken line of literary theory and criticism in Indian culture that goes back at least as far as the Western tradition. Indian criticism constitutes an important and largely untapped resource for literary theorists, as the Indian tradition in important respects assigns a more central role to literature than the Greek tradition does. Literary criticism in India resulted from the historical developments in poetry and drama.

❖ Department of Vedanta:

Indian Philosophy is broadly classified into two namely orthodox and heterodox. Astika darshana again consists of six schools namely Sankhya, Yoga, Nyaya, Vaisheshika, Purva-meemamsa and Vedanta. Vedanta is a philosophical culmination which brings the message of sages for the spiritual enlightenment of one and all. The study of the classical texts of Vedanta, together with a comparative perspective is the need of the hour. Keeping this in view, courses in Vedanta are being offered where the student studies the classical texts of Sri Shankaracharya, SriRamanujacharya, and Sri Madhwacharya. Classes in Vedanta are conducted by eminent and profound scholars of Advaita, Vishishtadvaita and Dvaita Vedanta.

BHAGAVAT RAMANUJACHARYA NATIONAL RESEARCH INSTITUTE, MELUKOTE

Melukote has been a holy shrine renowned for its history, tradition and rich heritage. Diverse Puranic accounts accord an epithet 'Jnanamantapa' (the abode of knowledge) to this place as great legacy of tradition, culture and Samskrit learning has been associated with it. A living vibrant temple tradition along with traditional learning ways is an integral part of its society. The harmonious social fabric brought about by Acharya Sri Bhagavat Ramanuja one thousand years ago which lives here even today has to be significantly remembered as his greatest contribution to the society considering present social conditions everywhere. Both his philosophical treatises as well as his social commitments bear the stamp of clarity, integrity and equanimity. His divinity, power and genuine social concern have been the invisible factor working positively for melukote even to this day.

Keeping in mind the special position of philosophy, school of thought, tradition, social values and the vision of Sri Bhagavad Ramanujacharya, Government of Karnataka established the Academy of Samskrit Research in Melukote in 1976.

The institute has completed four decades of meaningful existence in pursuit of excellence with financial grant coming from the Government of Karnataka. It has collected and preserved 10000 invaluable palm leaf manuscripts and 31000 books of immense value in the library. It has been constantly engaged in research and publication activity.

It has brought forth 166 publications till date. The list of publication includes critical editions, research works, and translations in Samskrit, Kannada and English.

Keeping in view further development of the academy, the state government on 15-12-2015 has brought it under the administrative and executive control of Karnataka Samskrit University, Bengaluru.

What our Alumni got to say!!!.....

“A must attend for seekers looking upto our tradition and culture for answers about purpose of life. Inspiring teachers bringing years of traditional Gurukula Experience in a modern and sustainable setting to enable working population to experience Samskrit”

- Uma Subramanyam, Vedanta MA (2018-19)

I joined KSU in Sep, 2016, filled with apprehension that Samskrit would be too tough to learn and the subject matter very dry. Instead, I was mesmerised on day one by the classes and concepts covered. Each subject showed a new and vibrant world, and the professors’ thorough knowledge made the classes comprehensible and enjoyable.

- WarrijaAdiga, former IT professional, MA Samskrit Shastras, KSU (2016-18)

“Scholarly teachers, accommodative mindset, thought provoking subjects, interactive discussions – A complete package”

- Hema, Vedanta MA (2018-19)

It is my dream of more than four decades that has come true in this Samskrita M A course that I am finishing now. KSU has done a commendable job by introducing this course for serious learners of Samskrita without any age bar. That our teachers are thorough scholars in various Shastras and literature surely makes it worth the efforts of everyone of us.

- S. Vaidehi, Shastra Faculty. (MA 2017-19)

Blessed by divine Guru parampara at KSU, deep passion on BharateeyaDarshanas

- Prahlad I S, Vedanta MA (2018-19)

The 2year MA course that I did in KSU was a very enriching experience. Learning Samskrit kavyas, Shasthras and Vedas from reputed scholars in Samskrit medium of instruction was a like a blessing, which has inspired me to pursue further studies at KSU.

- Hamsa, Alumni, Shastra Faculty, KSU (2016-18)
