SUB- Waste Management and Disposal Practices in the University

With reference to the above subject, the University has adopted the below mentioned best practices for maintaining a green environment across its campuses. These practices are compulsory to all students, teaching and non- teaching staff of the University.

- 1.To separate dry and wet waste and dispose of them accordingly in the respective dustbins.
2. The University is Plastic-free zone and all plastic waste should be collected and disposed of as dry waste.
3. A conscious practice to educate not only the students but also the local community on waste management practices.
- 4.To practice 3Rs – Reduce, Reuse and Recycle.
- 5.To reduce the use of paper in all activities and be paperless.
6. All garbage must be disposed of at the appropriate BBMP centers.
7. Organizing International Environment Day.
